- Overview
- Implementation

Questions & Discussion

Digital Learning Strategy Background

Fall 2021
Digital Learning Advisory Committee and Working Groups initiated

Summer 2022
Over 30 consultations with the post-secondary system

Winter 2022/23
Initial implementation plans for the strategy developed

Spring 2023 Onwards
Implementing the strategy; ongoing collaboration

Spring 2022
Consultation draft of the Digital Learning Strategy produced

Fall 2022
Strategy revised and validated with the committee

Spring 2023
Strategy Implementation Groups to begin

Strategy Overview: Strategic Priorities

1. Policies and Processes

2. System Collaboration

3. Enhancing Digital Equity

B.C.'s Post-Secondary Digital Learning Strategy: Development and Implementation

1. Policies and Processes

Guidelines for Technology-Enhanced Learning

Ethical, Accessible, and Responsive Use of Technology

B.C. Post-Secondary Digital Literacy Framework

Annual System-Wide Forum

Implementing the Digital Learning Strategy

Digital Learning Advisory Committee

- Digital Learning Strategy Implementation Steering Committee
- Ethical Educational Technology Working Group
- Communications and Dissemination Advisory Group

Timeline for Implementing the DLS

2023   2024   2025   2026

Implementation initiatives will start later in 2023 and continue through 2026

DLS Implementation Steering Committee

B.C.'s Post-Secondary Digital Learning Strategy: Development and Implementation
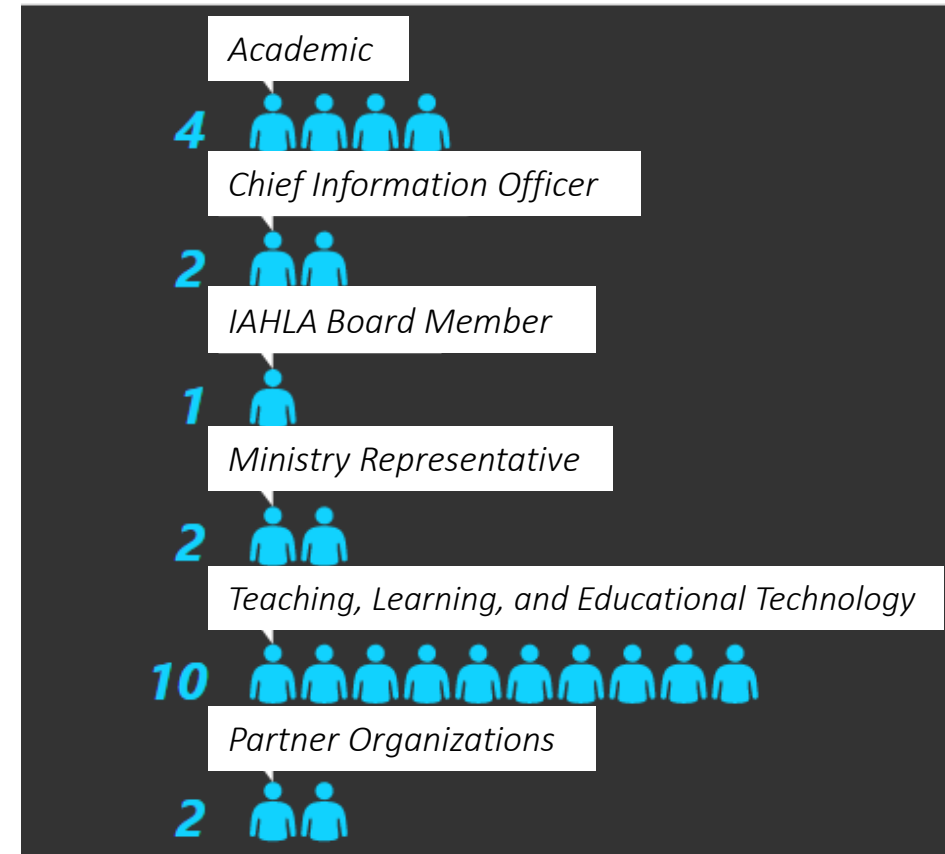

DLS Implementation Steering Committee

Building Systemic Capacity

Enhancing Collaboration

Supporting Remote Learners

DLS Implementation Steering Committee

Building Systemic Capacity

Professional development programs

Support institutional capacity to participate in the strategy

DLS Implementation Steering Committee

Enhancing Collaboration

Software Library

Open Education Resources and technology

Coordinated Technology Investment

DLS Implementation Steering Committee

Supporting Remote Learners

Remote access to software for learners

Bulk purchasing of devices

Remote Helpdesk Pilot

B.C.'s Post-Secondary Digital Learning Strategy: Development and Implementation

Ethical Educational Technology Working Group

Ethical Guidelines for Educational Technology

Accessibility Guidelines and Universal Design

Protection of Indigenous Knowledge and Intellectual Property

B.C.'s Post-Secondary Digital Learning Strategy: Development and Implementation

Questions

Does your institution or organization have a digital learning strategy in place or in progress?

What expectations have learners, faculty or staff expressed about flexible access to learning using digital technology?

How is your institution or organization approaching supports for off-campus learners?
