

Welcome BCNET

Dean Prevost

President, Integration

Together, Rogers and Shaw employees will build on the legacies of our founders

Coast-to-Coast,
Rogers, together with
Shaw,
is committed to
continuing the tradition
of investing in Canada,
for all Canadians

**Investments to
catalyze insight into
innovation for
British Columbia &
Western Canada**

\$3B
Invested

5G
Expansion

DRIVING
innovation

We're investing in job creation, network expansion, and new technology in B.C.

Adding over \$3.6 billion in GDP to the B.C. economy

Creating 1,200 new jobs across B.C.

\$5 million partnership with UBC

We're investing \$75 million into local communities and helping young Canadians

We're providing community grants to local charities including the YMCA, Big Brothers Big Sisters and Junior Achievement, reaching over 50,000 youth across Canada

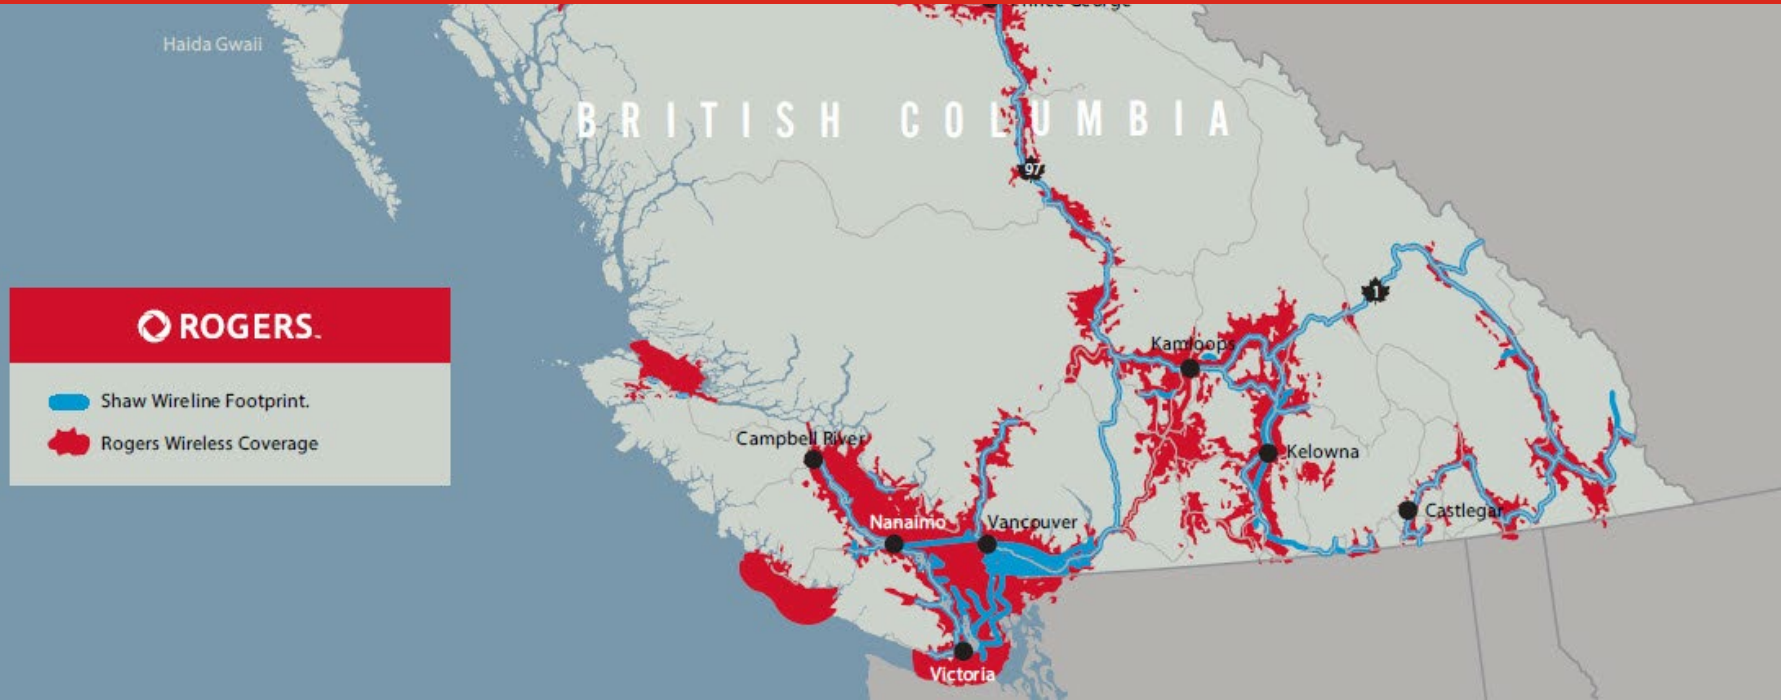

We're sponsoring the Shaw Charity Classic, for the next 10 years, to help children's charities across Alberta

We're helping thousands of youth gain access to much needed post-secondary education through our Ted Rogers Scholarship program

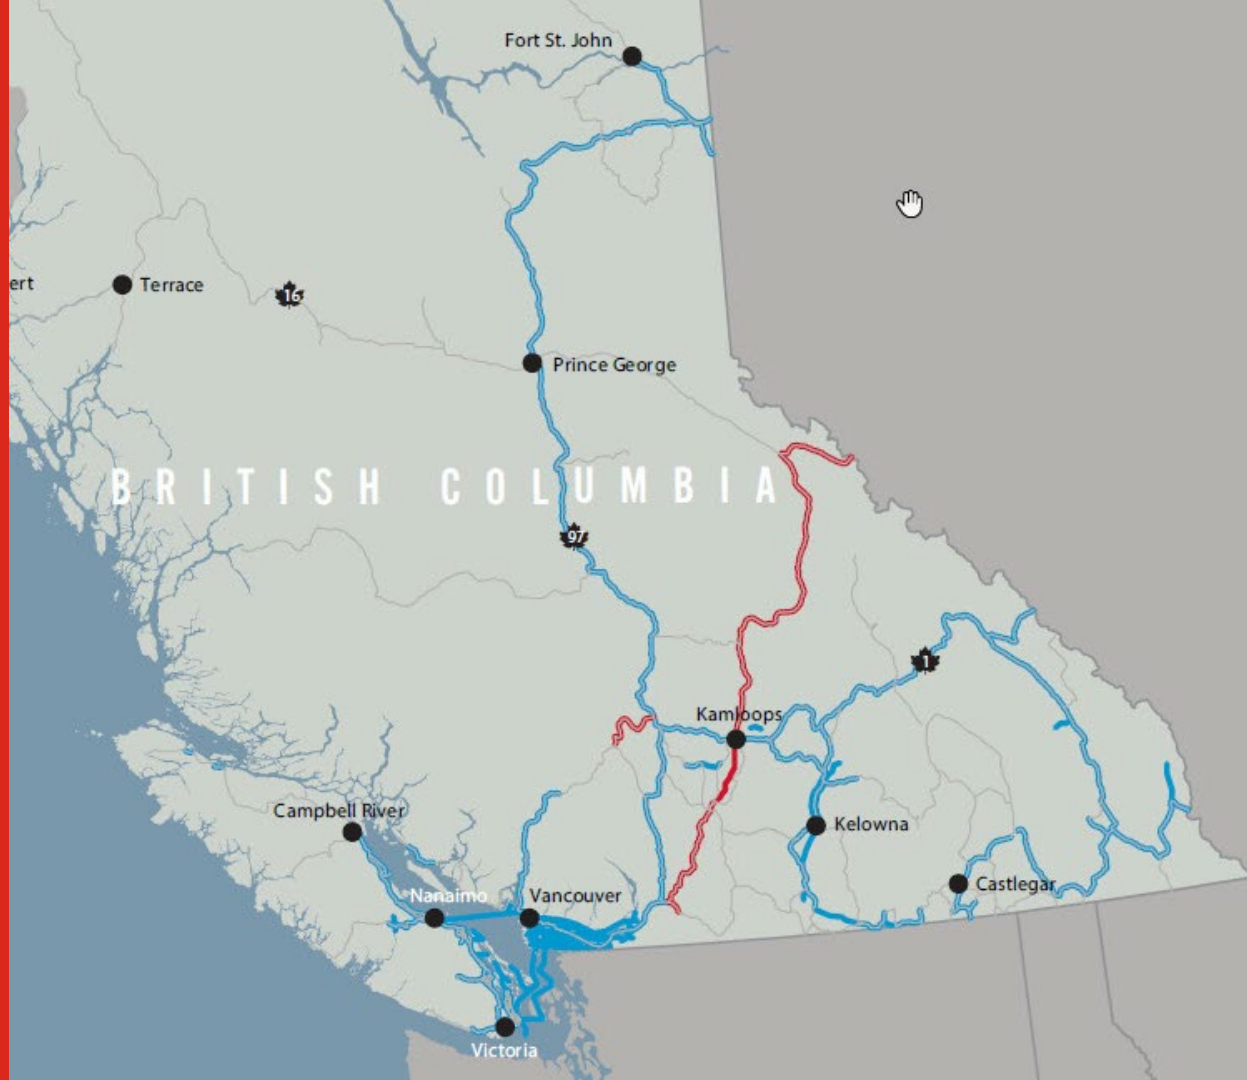

Resiliency & Redundancy with Wireless & Wireline

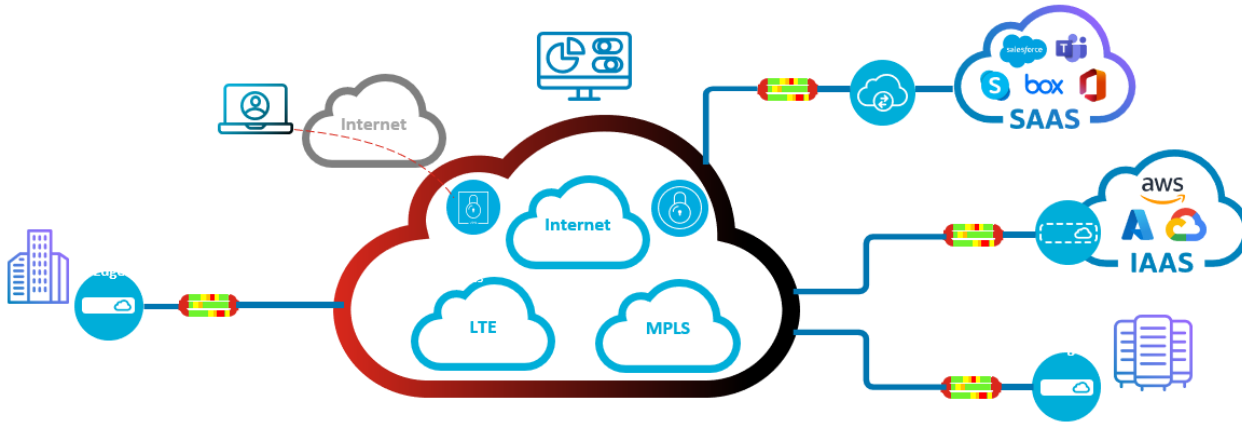

Our network in
British Columbia

Extensive fibre
networks

Delivering a cloud-first approach to enterprise SD-WAN

- Support for all underlay connectivity options
- Automatic performance optimization
- Scalable from branch to campus to cloud
