**April 22–24, 2026**

**Sheraton Vancouver Wall Centre**

## Sponsor CONNECT 2026

CONNECT is a 3-day event for the BCNET member community of higher ed IT professionals and leaders who are taking their learning to new levels. The BCNET membership is made up of 44 higher education and research members in B.C.

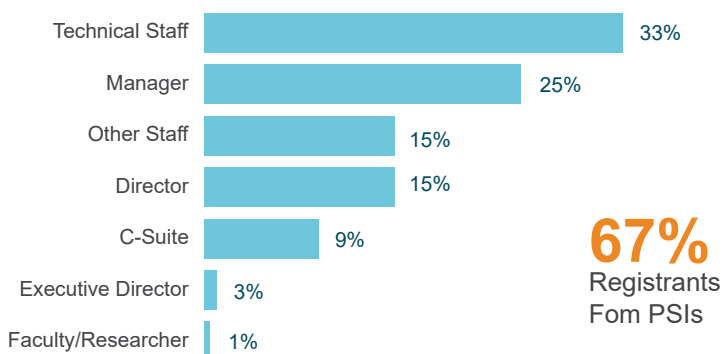

Now in our 26th year, the CONNECT Summit brings together the community to learn and shape the digital landscape for higher ed. CONNECT 2026 is a gathering of over 750 in-person delegates who connect to explore, contribute and discover solutions to today's technology challenges.

With an expo hall for our sponsor partners, 2 big-picture keynotes, 6 tracks, 60+ session topics, two social connector events, we're bringing our attendee experience to a new whole new level.

## Who You'll Reach

The BCNET CONNECT Tech Summit will bring together higher education member delegates including technical IT staff, directors, managers and executives, as well as partners in the National Research and Education Network. Our member community is made up of British Columbia's 25 public colleges, universities and institutes, as well as research institutions.

### ATTENDEE PROFILE

### Demonstrated Value for Sponsors

A testament to the value we deliver: **76%** of our 2025 Summit sponsors are **returning partners**.

CONNECT consistently delivers impact: **96%** of attendees are highly satisfied, and **96%** would recommend the Summit to their peers. Sponsoring CONNECT means aligning your organization with an event that both drives results and inspires strong community trust.

## Sponsorship Opportunities

BCNET reserves the right to accept or decline any sponsorship requests. Please submit your sponsorship request through our [Sponsor Expression of Interest form](#).
