Visual, Easy to use, **Easy to search by CRN**, Plan ahead.

The design of the interface is very user friendly, registration was pretty **fast and organized**.

It has an appealing look and it is **intuitive to use**.

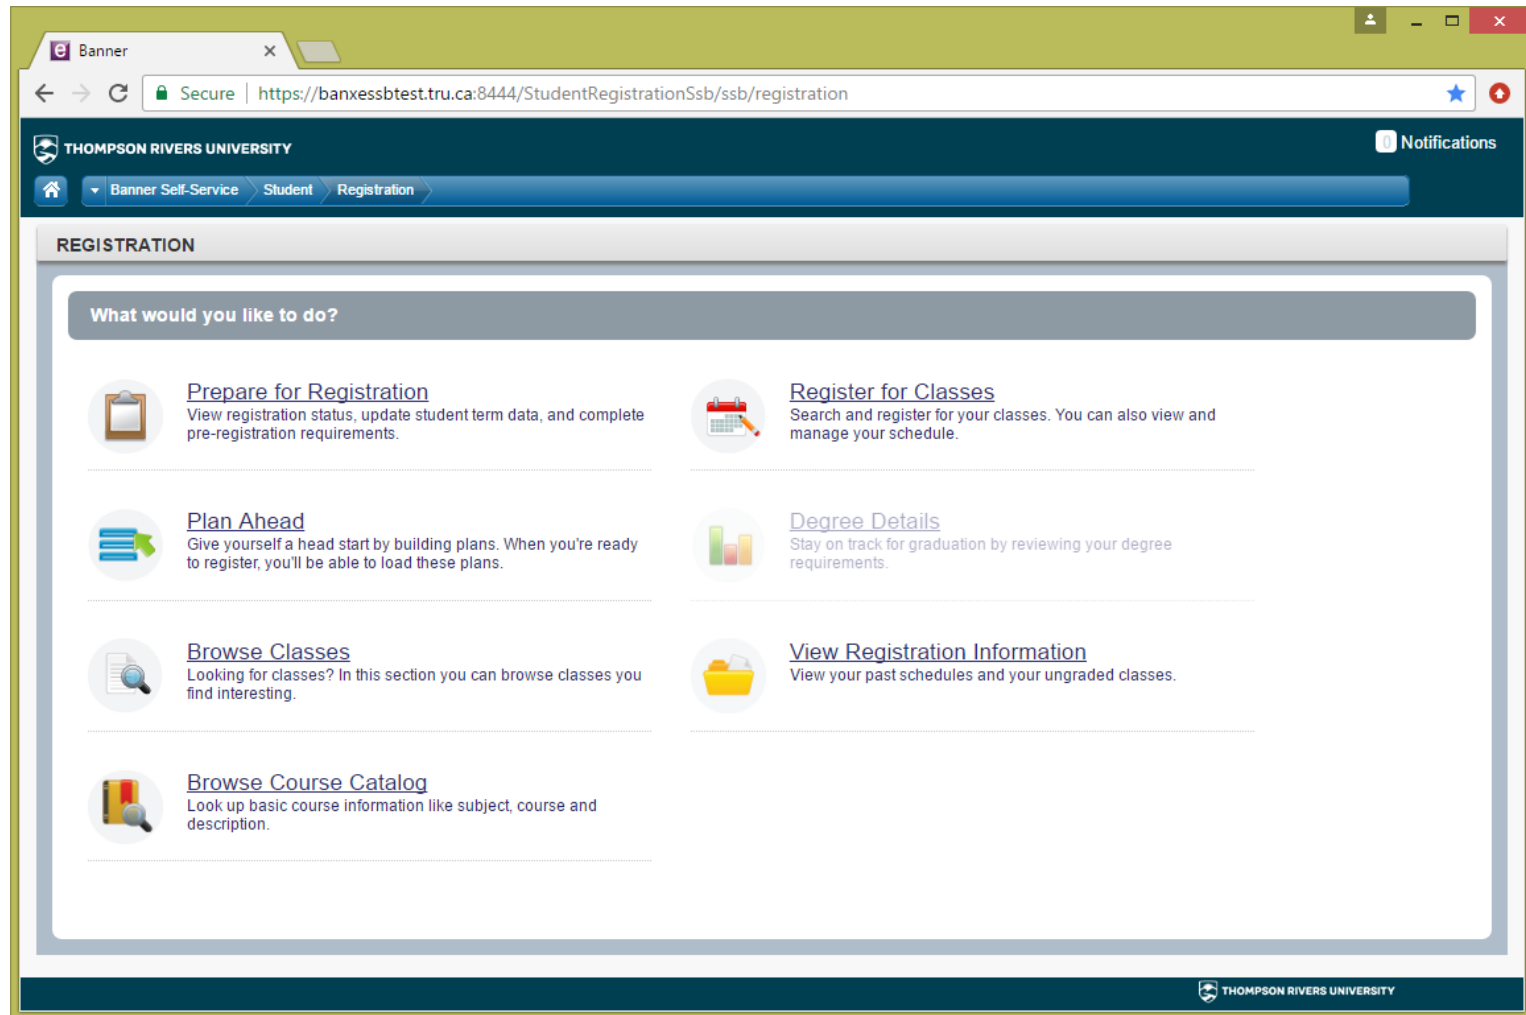

The layout of course search schedule and summary being in **one window** really helps **keep things organized**. Hover-over option showing details.

Layout is very friendly, **easy to navigate**. I was able to search for multiple classes at the same time.
